

**IN THE DRAWINGS:**

Please amend Figure 2 as illustrated in red on the attached photocopy.

Figure 2 has been amended to change reference numeral "3" to read --61--.

**REMARKS**

**Claim Rejections**

Claims 1-11 are rejected under 35 U.S.C. § 112, second paragraph. Claims 1-11 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, second paragraph, as set forth in the outstanding Office Action.

**Drawings**

Applicant proposes to amend Figure 2, as illustrated in red on the attached photocopy. In Figure 2 it is proposed change reference numeral "3" to read --61--. No "new matter" has been added to the original disclosure by the proposed amendments to this figure. It is believed the foregoing proposed amendments obviate the outstanding objections to the drawings. Approval of the proposed drawing changes is respectfully requested.

**Abstract of the Disclosure**

Applicant is submitting a substitute Abstract of the Disclosure for that originally filed with this application to more clearly describe the claimed invention. Entry of the substitute Abstract of the Disclosure is respectfully requested.

**Amendments to Specification**

Applicant has amended the specification as noted above to cure obvious grammatical and idiomatic inaccuracies and to provide proper antecedent basis for reference numeral "14". It is believed that the foregoing amendments to the specification overcome the outstanding objections thereto. No "new matter" has been added to the original disclosure by the foregoing amendments to the specification.

**Claim Amendments**

By this Amendment, Applicant has amended claims 1, 6, 7, 10 and 11 of this application. It is believed that the amended claims specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

Since claims 1-11 have been indicated as being allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, no detailed discussion of the cited prior art references is believed to necessary.

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: October 28, 2005
